

UNITEDHEALTH GROUP®

Compensation Confirmation Statement

Total Rewards

UnitedHealth Group's mission is to help people live healthier lives and to help make the health system work better for everyone. Our employees support this mission by living our values. Our managers are committed to our pay-for-performance philosophy in support of our mission. As part of our Common Review process, your manager has evaluated your contributions and demonstration of our values and made decisions about your compensation. Those decisions are detailed below:

**You must be actively employed (or on leave) as a regular employee on the date the award is paid.*

Equity Award

The equity value and award type listed below are subject to approval by UnitedHealth Group's Compensation and Human Resources Committee at its next board meeting. Upon approval, Fidelity Stock Plan Services will send a grant notification message to your work email address approximately two weeks after the grant date. Once you receive your grant notification email from Fidelity, you will need to accept your award at www.netbenefits.com before the equity award acceptance deadline. Visit the Employee Center Pay & Benefits page on Sparq to learn more about equity/stock-based awards.
